Owner Agrees to abide by all state and local animal ordinances. An overview of Hillsborough County Ordinances is attached. The complete statute is available through Hillsborough County Animal Services.

The Agreement may not be altered or changed in any way. Animal Services - Hillsborough County

Select features found in the Animal Ordinance which will affect pet owners or the general public are:

- All dogs, cats, and ferrets four months of age or older must be vaccinated against rabies by a veterinarian and be registered with the department. This provision provides for local enforcement of state law which now requires ferrets to be vaccinated against rabies.
- All dogs will be required to wear the rabies tag when outside. Cats, when outside, will be required to wear the tag or to be micro chipped, tattooed, or have an ear tag that can be used to identify the cat so the owner can be traced. Dogs and cats, while participating in a sanctioned event, will not be required to wear the tag. This provision will better enable a person bitten by a dog or cat and public health authorities to know if the animal has a current rabies vaccination. This will also aid in getting lost pets and their owners reunited.
- Excluding public right-of-way on an owner's private property, no dog or cat shall be allowed to stray, run or go, at large upon any public property or street, sidewalk, park, or on the private property of another without the consent of the property owner. Any cat routinely outdoors while not under direct control must be sterilized. This will better protect the private property rights of our citizens who do not want dogs or cats on their property. It will help reduce problems that can result from outdoor pet cats indiscriminately breeding. It will also likely result in, over time, a higher percentage of pet cats being kept indoors; thereby reducing the health and safety risks to which outdoor cats are exposed.
- Dogs or cats in heat, when not in a proper enclosure, must be under the direct supervision of a responsible individual so that the dog or cat is not allowed to unintentionally come into contact with a male dog or cat and breed. This provision will help prevent unwanted litters of puppies and kittens that contribute to our tragic dog and cat overpopulation problem.
- Any feces deposited by a dog, cat, or pet pig on public property, public walks, and recreation areas or the private property of others must be immediately removed by the person who has custody or control of the animal. This provision will help reduce the health and nuisance problem created by dogs and cats that have been permitted to defecate on the property of others.
- No person will transport on any public highway, roadway or thoroughfare any animal in a vehicle unless the animal is safely confined or tethered to prevent the animal from falling or jumping from the vehicle. This provision will reduce the potential danger to people and animals that could be caused if an animal were to fall onto a busy public road in our county.
- It will be unlawful to strike or interfere with a service animal while performing its duties. This will help prevent someone from interfering with a service animal that is assisting, for example, a deaf or visually impaired person.

767.04 Dog owner's liability for damages to persons bitten.

The owner of any dog that bites any person while such person is on or in a public place, or lawfully on or in a private place, including the property of the owner of the dog, is liable for damages suffered by persons bitten, regardless of the former viciousness of the dog or the owners' knowledge of such viciousness. However, any negligence on the part of the person bitten that is a proximate cause of the biting incident reduces the liability of the owner of the dog by the percentage that the bitten person's negligence contributed to the biting incident. A person is lawfully upon private property of such owner within the meaning of this act when the person is on such property in the performance of any duty imposed upon him or her by the laws of this state or by the laws or postal regulations of the United States, or when the person is on such property upon invitation, expressed or implied, of the owner. However, the owner is not liable, except as to a person under the age of 6, or unless the damages are proximately caused by a negligent act or omission of the owner, if at the time of any such injury the owner had displayed in a prominent place on his or her premises a sign easily readable including the words "Bad Dog." The remedy provided by this section is in addition to and cumulative with any other remedy provided by statute or common law.
